

CHÂTEAU VIRGILE

COSTIÈRES DE NÎMES - ROUGE

Syrah 60%
Grenache 30%
Mourvèdre 10%

This family domaine is owned by two brothers, Serge and Thierry Baret. Château Virgile is located 15 km from the Mediterranean Sea, where the deep gravely vineyards (known locally as gress) give the wine a bright minerality. The winery itself dates back to 1748.

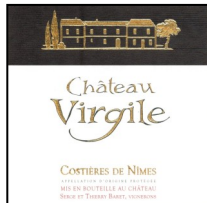

Tasting Notes: This wine has a rich, saturated black cherry color. The nose is full of fresh raspberry and cherry fruits with hints of violet. This is a silky wine, with firm but smooth tannins. Its almost chewy mid-palate gives way to a silky finish.
